## Chapter 1 by Auminix

Comfort.

Happiness.

Joy.

Love.

Peace.

These were my last wishes before I died. It was my turn to go. I had five days to do each one...in order...before I died. It seemed impossible.

Comfort is the easiest.

Happiness is a bit harder.

Joy is in the middle.

Worldwide Peace is the hardest.

So, you guys are gonna construct my 5 days, one day each chapter. Explain which one in order you need to do, then explain characters, plot, and how to get it. I will be watching in the corner.

Thank you.
